MANAGER'S STATEMENT

Without a doubt this 9th semi-annual sale is the best contingent of cattle from the standpoint of quality ever assembled by Central States Sales. I feel we are progressing in the right direction, in that we are getting more young breeders interested in registered Shorthorn Cattle, for it is the younger breeders that will be carrying the banner for good cattle in the future.

The Southern Iowa Fair and Exposition held one of the best Shorthorn shows of any district show in the State of Iowa. I claim this was brought about by the interest manifested by the breeders of Central States with headquarters here in Oskaloosa, Iowa.

Terms and Conditions

1. Terms of sale are cash.
2. Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.

A beautiful young cow of the Campbell Rosebud family. We very much hate to sell her but the manager said we had to let him pick. She has produced two fine calves and will calve before sale to our new herd bull, Edellyn Acadian by the Perth winner, Calrossie Sportsman. Sportsman calves have created quite a stir in the show ring this summer. She was calfhood vaccinated and sells tested.

Victoria A, always producing, has produced a first prize junior heifer calf at Missouri State Fair. Has a choice bull calf at foot sired by our Imp. Pilot bull, Grand Champion bull of the 1953 Missouri State fair. This calf will be sold separate for some one wanting a top club calf. Note the Goldfinder Sires in her pedigree—no wonder her calves are right. She is re-bred to our Pilot bull.

Golden Marigold is showing with her first calf and if this calf is a sample of her calves to come what a valuable matron she will be for her new owner. This calf was sired by B & B Prince Charles 14th by Ringwell Prince Charles. Mr. Stewart picked this calf for Oskaloosa and I feel he made a wise choice, if he developes as he has started out he will more than hold his own in the 1954 shows. Calved Sept. 2.

Clara of Silver Vale 12th is from the same cow as the top heifer at the recent Hawkeye Downs sale. A dark red heifer calf at side by Prince Willingdon. I believe this is the best calf at its age we have ever had on the farm. Cow is rebred to Prince Willingdon, pre-tested and calfhood vaccinated. A golden opportunity for a club boy or breeder to buy a great breeding plant.

The dam of Detonator Leader was top open heifer of the 1947 Wisconsin State sale. Her first calf stood second at Iowa Royal Sale in the bull class and has sired a club calf that was grand champion at the 1952 Inter-State Show at Sioux City. Her second calf, a bull, stood up well in class at Iowa Royal and sold for \$500 to a Minnesota breeder. Detonator is equally as good as Royal Queen's former bulls. A very strong headed bull and selling in just good breeding condition.

It is doubtful if there will be a better junior yearling heifer sold in any district sale in Iowa this year. We hate to part with her as we are retaining all of our Promoter heifers. This being the second one we have sold and only as a sale attraction are we consigning this beautiful heifer. We do, however, have her mother and full sister in the herd. Bred June 2 to Twin Valley Banker, a good son of LoMar Banker. Calfhood vaccinated.

This heifer dropped her first calf early, and was nursed down before turning
 out to pasture, with dry pastures we have had, she has not picked up. The
 calves out of Supreme Dam's and sired by Leveldale Cameo are outstanding

In consigning this beautiful heifer we realize she is a little young to bring her true worth. We know however the new owner of this heifer will be more than well paid to wait for her to grow into maturity as she is sired by one of the thick bulls of the breed.

Gloster's Masterpiece's heifers grow out to be thick, low-set blocky cows and we are retaining many of this heifers half sisters in our herd.
